

K-love is a wonderful radio station and I would hate to see it leave the airwaves due to any changes or decisions by the FCC. It is a breath of fresh air compared to the foul mouthed, shock jock type messages that are all too prevalent in our society today. I know people in San Antonio love it. They pray for our local community and our country. They give uplifting stories. They provide great Christian music. Our community would lose a valuable voice for love and forgiveness if we ever lost this channel.
